Price differs for each event - get in touch!

We do not offer workshop slots as part of our sponsorship tiers.
If this is something you are interested in, please let us know.

For Lovelace and the Monthly talk/workshop event series

If you would like to sponsor our regular events, we will put your logo on our website, thank you at the start and end of each session, and post on our social media to publicly thank you.

For these projects, our sponsorship is a flat £500 until the end of the 2018-19 academic year (June 2019)

For the Hacksmiths Hardware Lab

If you have useful hardware which we can use at our events, we'd love to have a chat about including it in our Hardware Lab.

If you want something more specific, or want to support multiple projects, we can devise custom sponsorship tiers.
