# Hebocon London 2018

3 Oct 2018

Hebocon is Robot Wars for those who are not technically gifted. Crappy robots that can just barely move will somehow manage to engage in odd, awkward battles.

## DoC.Hack 2018

25th Sept 2018

For 6 hours you'll get to design and build weird, wacky and wonderful projects while meeting new people and having fun, before a relaxed show and tell.

No skills, ideas or team needed - just bring a laptop and we'll sort the rest

# Workshop: Intro to Web Design

17th Oct 2018

Never written a line of code before and  
want to learn how to build a website?

We'll show you the tips and techniques to  
build your own portfolio website or blog.

[goldsmiths.tech/monthly](http://goldsmiths.tech/monthly)

Lovelace

The title 'Lovelace' is displayed in a white, cursive font inside a teal hexagonal badge. The badge has a thin gold border and is set against a dark teal background that features a faint, intricate spider web pattern with water droplets.

# Lovelace - Hello World!

3 Oct 2018

A series of social events for women and non binary people interested in tech. These events are for individuals who would like to help build a stronger community at goldsmiths, to share, create and learn.
